LADIES OF THE G. A. R.

Circles in Burlington and Middlebury Very Active—Compliment for Barre.

Mrs. M. E. Batchelder, writing from Burlington, gives a very encouraging report of the growth and activity of the ladies of the Grand Army of the Republic in that city.

At a well attended meeting of Garfield circle, No. 4, September 25, the department president, Mrs. Carrie Nash, also Mrs. Allen of Middlebury, was present.

Remarks in regard to the duties of the organization and urged that at the next election of officers, great care be exercised in selecting members who are qualified to fill their respective offices.

One of the most pleasing features of the evening was the initiation of a granddaughter of a veteran, and the earnestness with which she repeated the oath of allegiance.

A sum of money was presented to the circle by one of the members, with the request that it be placed in the memorial fund, in memory of her husband, who has recently joined the silent army, the army of the dead. It is the hearty cooperation of the veterans in Burlington and Middlebury that adds greatly to the success of the order there.

In the journal of the proceedings of the twenty-third national convention, 1909, just received, Mrs. Della R. Henry, national patriotic instructor, reported as follows, which will be pleasing to our local circle: "Our circle at Barre, Vermont, is worthy of special mention. This circle, alone, gave nine prizes for the prizes were histories of the life of Lincoln and were presented on the celebration of his 100th birthday."

For the Last Few Weeks

we have been calling your attention to some pretty good things in our line, some of them new, some of them at less price than you would find them in other stores: such goods as Dr. Denton's Sleeping Garments for children, Rubdy Towels, Munsing Underwear, Black Cat Merino Hose for ladies and children, Ladies' and Misses' Garments from ten to twenty per cent less than new lots will be able to sell for, Dress Goods at less than the regular market price. All of these goods can be bought Don't wait longer than this week before you find time to get at some of these specials. For the next few days ask to see the following.

SWEATERS

In Ladies', Misses' and Children's Sweaters, no matter where you shop, you can hardly meet with our assortment at our prices. We are offering these Sweaters at old prices. Considering the advance to us, this means a saving to you, as our prices must be higher a little later, just as soon as the present supply is gone.

Just now we are selling Children's Sweaters from 15 to 24 size at 98c each.

Misses' Coat Sweaters in all colors, sizes up to 34, for \$1.50 each.

Ladies' Fancy Stitch Wool Sweaters at \$2.50.

Ladies' extra heavy, the same weight as men's—the Shaker Sweater, with pockets, at \$5.50 each.

Ladies' Very Long Sweaters, for street wear, at \$3.98 and from that up to \$5.50 each, according to stitch and weight.

Ladies' and Children's Coats

It is a help to us and a help to you that all of these garments were in our store before the garment strike. You can buy cheaper and we can sell more than though the price was from one to three dollars per garment more. In reality you will not realize just what that advance means until another season.

Coats for little folks in silk bear, in white or colors, with cape to match, at from \$2.50 up. Our little coat at \$3.98 is as good as last season's at \$4.50 and next season it will be a \$5.00 coat.

Ladies' Coats are selling extremely well. They come in long lengths and the materials selected seem to be in harmony with this style of a coat.

Our garment department is better lighted than ever before and is a quarter larger. You will notice the difference.

FURS AND FUR COATS

Only today we get a notice from one of our fur houses that there are to be no more Fur Coats at prices we have been paying. This is not surprising when the popularity of Fur Coats is considered.

Several styles of Fur Coats have advanced from three to six dollars each; a pretty good profit, or, in other words, a pretty good saving for the trade.

We have anticipated a big fur season and everything now indicates that we have guessed right. Some seasons it is a gamble for the right kinds, and while a man's judgment helps it is not always positive.

Small Furs, Muffs and Children's Fur Sets have been bought right and we shall show them with a good deal of satisfaction.

When in our store, visit our new Ladies' Shirt Waist Department on the second floor. This and our new Drapery Department takes the space formerly occupied by Mrs. Shepard.

Fine Residence for Sale

The subscribers offer for sale the residence of the late William S. Littlejohn. This property is pleasantly located on a large corner lot on Orange and Patterson streets. The lot has a frontage on Orange street of 144.2 feet and 100 feet on Patterson street. The house contains twelve rooms, finished in hard wood, heated with hot air and hot water, and fitted throughout with electric lights. There is also a fine gas range in the kitchen.

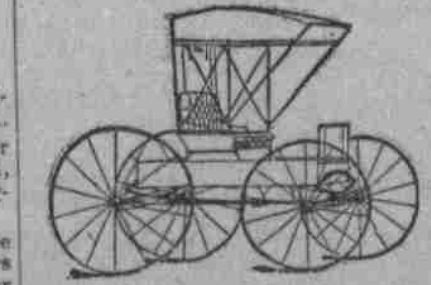

There is an exceptionally good granite cellar under the whole building, with cement floor, and contains a wash room fitted with tub and gas heater.

There is a small barn in connection with the property and the lot is large enough so that another house could be erected if desired.

The house was built by the late owner for a home, all the work being done by the day under his own personal supervision, and only the best of materials were used in its construction.

Anyone looking for a desirable home should make it a point to visit this property.
